

Worldwide Marriage Encounter

Prayer Couple Prayer

Lord, you have gifted us for a mission
And called us to be modern day apostles.

Give us the courage to answer the call.

Fill us with your Spirit so we may realize the
power of our prayer.

You have blessed our marriage through the
power of the couple prayer,

Now let us pray for other couples so that they might experi-
ence the grace that we received.

We ask this through your Son,
who so graciously blessed the wedding at Cana.

Amen
